Subject: TSCA Compliance Declaration

Hereby we confirm that Almeco S.p.A, as a downstream user of chemicals imported by companies specialized in the sector of chemicals trading, is non subjected to TSCA Certification.

Despite this, we certify that Almeco S.p.A is not using chemical substances in violation of TSCA or any applicable rule and that our chemicals complies with all applicable TSCA regulations.

In particular our chemical substances:

- Are not imported for any prohibited use;
- Satisfy all applicable labeling and MSDS requirements;
- Do not exceed any specified restrictions on permissible import volume.

For further requests we are at your disposal.

Onorato Fiorentini
CEO Almecco Group
